

SPYROS BROS PRESS KIT - World's Highest Rated Diabolo Entertainers

BIOGRAPHY

SPYROS BROS is a unique Diabolo duo that performs complex tricks using juggling, dance, choreography, music, acrobatics, illusions, magic, danger, LED lights, fire, and multimedia graphics projection, all woven into a theme or storyline. Their incredible performances have been wowing crowds for the past 10 years. They've been invited to the Maldives, Italy, Mexico, Spain, Romania, India, Canada, France, Netherlands, Australia and China. They are currently performing for the NBA & NCAA Basketball Halftime shows like the Lakers, Warriors, & the Bucks. The brothers, Marco and Marc Betito were born and raised in New York City to Filipino parents.

At 8, doctors diagnosed Marco with a Delayed Language Disability and placed him in special education. Because of this condition, they bullied him in school, and he suffered severe depression. To cope, he discovered the diabolo and found his joy and passion in playing it. It became his redemption. He taught the Diabolo to his younger brother, Marc, and created the first Diabolo Club at Bayside High School, NY. This experience motivated Marco and his brother to take the Anti-Bullying and Anti-Drug issues as their **ADVOCACY**.

In 2012, they returned to the Philippines to learn more about their heritage and pursue higher education. Marco graduated with a Bachelor of Fine Arts at the Adventist University of the Philippines. Marc has a Bachelor of Science in Electronics and Communications Engineering. In college, they spread awareness about anti-bullying and the SAD-free movement through seminars and ambassadorship. They continue to perform Charity Events for kids with cancer, kids living in orphanages, and animal welfare societies.

In 2020 they were semifinalists for America's Got Talent Season 15. Their performance received a rousing standing ovation from the audience and the judges, including Simon Cowell. They also performed in the live judge's audition in Asia's Got Talent season 2 and were guest performers at the Pilipinas Got Talent.

They're one of the best young entertainers today in the Philippines having won not 1 but 2 very popular National Talent Competitions. In 2013, Spyros Bros became the youngest Hall of Famer and Grand Champion after winning Talentadong Pinoy Worldwide in the Philippines. They bested 6 other Hall of Famers and were awarded the Texter's Choice award for getting the most text votes.

They are also the First Grand Champion of It's Showtime's PINASikat, ABS-CBN's very popular noon-time talent show in 2015. They defeated 15 grand finalists from different parts of the Philippines in a five-month talent competition to become the first national grand champions. They left the talent competition judges in both Grand Finals in awe & all gave standing ovations.

The SPYROS BROS have appeared on various popular TV shows on the major television channels in the Philippines. They've trained and coached celebrities, actors, and actresses using the diabolo. In 2018, the government of Taiwan invited them to promote tourism through diabolo and train school kids. They've also performed for the Asia Pacific Economic Conference (APEC) in 2018.

The Spyros Bros not only continues to spread the joy of the Diabolo but also to use their story to inspire the youth - to find their talent, work hard to overcome their limitations & follow their dream. As members of the youth, the Spyros Bros feel a responsibility to help build a brighter and better future for all. Their goal is to make Diabolo famous among kids worldwide and educate them about bullying's negative impact, including social and drug-related consequences. As Diabolo entertainers, they hope to prevent bullying and stop drugs in our society through education and awareness.
